IT’S NEVER BEEN EASIER TO STAY ON TOP OF TODAY’S MOST IMPORTANT LEGAL ISSUES

**INTRODUCING** a completely customizable one-stop educational program that delivers information on today’s trending topics directly to your office or a pre-selected local venue.

We focus on the specific markets where you do business and utilize a team of experienced attorneys who can share relevant jurisdictional knowledge important to your business’ needs.

Whether it is a one-hour “lunch and learn”, half-day intensive program or simply an informal meeting discussing a specific legal matter, USLAW will structure the opportunity to your requirements – all at no cost to your company.

Following in this menu is a sampling of LawMobile topics that cover a variety of practice areas. They are listed to only serve as a springboard for thought. USLAW is prepared to present on any of the following topics, or variations thereof, or entirely different subjects. Take advantage of this opportunity to tailor-make an educational program that will specifically address your company’s needs.

**See the back panel for information on getting started.**
