

With the ownership and management of retail establishments, shopping and hospitality centers comes exposure to all sorts of liabilities. This Compendium is designed to permit users to easily access common and state specific liability issues. Our goal in preparing these materials was to provide our clients with a reliable and easy to use reference guide. Written by USLAW member firms, the Compendium takes advantage of local knowledge and experience in the jurisdictions listed below. We hope you find the materials useful. Click each state below for that state's chapter.
